TEACHERS ADVISORY COUNCIL TO MEET

(FRANKFORT, Ky.) – The Teachers Advisory Council (TAC) will meet Monday, June 27, from 10 a.m. – 2 p.m. ET in the State Board Room of the Capital Plaza Tower in Frankfort.

The Teachers Advisory Council (TAC) improves the educational landscape of Kentucky by providing the commissioner of education with direct input from Kentucky's classrooms. Bridging the gap between policy and practice, the TAC was created to advise the commissioner on educational priorities so that Kentucky's students are well-prepared for any career they choose. The ultimate goal is effective teaching in every school, every classroom, every day.

The TAC is comprised of approximately 40 teachers from across the state who contribute crucial, diverse perspectives on education. The TAC members have instructional expertise in various disciplines, grade bands, and areas of specialization that represent Kentucky's varied student population.

A full agenda follows.
